Ref.No.80751-E3/54, dated 29-9-1954.

Sir,

Sub: Establishment - Government Hospital, Puttur
Employment of additional staff - sanction -
Requested.

The District Medical Officer, South Kanara has submitted proposals to employ the following additional staff in the Government Hospital, Puttur as the daily average number of inpatients treated in the Hospital for the past three years exceeds the sanctioned bed - strength of the Hospital.

Nursing Orderly
Toty
Peon

Nursing orderly (1)

The number of nursing orderlies employed in the Hospital at present is 3. According to the ~~Gov~~- prescribed scale of one nursing orderly for every 8 beds the Hospital with a bed strength of 33 can employ 4 nursing orderlies. Hence the employment of an additional nursing orderly asked for by the District Medical Officer is recommended to Government for sanction.

Male toty (1).

According to the prescribed scale of ~~toty~~ one toty for every twelve beds, the Hospital with a bed strength of 33 can employ 3 toties. As there are already 2 toties employed in the Hospital, the employment of an additional toty asked for by the District Medical Officer ~~and~~ will be sanctioned under the powers delegated.

Peon (1)

There is no post of peon in the Hospital at present. The services of a peon are required to bring tappals from the Post Office, for the encashment of bills for local delivery of tappals etc. Besides he has to attend on the two Gazetted Officers (Civil Assistant Surgeons) in the Hospital. Hence the employment of a Peon asked for by the District Medical Officer is recommended to Government for sanction.

The extra recurring cost involved in the proposal is furnished in the Annexure. I request that the Government may be pleased to consider the proposal as a Part II Scheme for 1955-56 and issue orders.

Yours faithfully,

For Director of Medical Services
